Field trips, excursions, activities, projects and presentations provide experiential learning opportunities. Dance, Fine Arts, Western and Indian Music, Yoga, Speech and Drama promote well-rounded development. Students are encouraged to participate in inter-house cultural and sports events. Active learning techniques like free play, dramatisation, puppetry, singing, dancing and cooking enhance their interest in learning. Book, newspaper and magazine reading activities increase children's awareness of the world. Assemblies, concerts and drama productions help shape their confidence.

## E - Learning

"We need technology in every classroom and in every student and teacher's hand, because it is the pen and paper of our time, and it is the lens through which we experience much of our world." - David Warlick

Each member of the DPSJ Kids family - student, parent, staff and management has free access to the school portal through distinct user ID and passwords allotted. Each one of them can download syllabi, lesson plans, circulars, worksheets, report cards, or even leave application, queries,

clarifications, communication and library facilities as information is stored easily. The Learning Management System is a highly efficient system that equips students to face the growing challenges and cut throat competition of the new millennium. The LMS modules enhance teaching - learning, strategies anywhere and everywhere. All communication to and from school is enhanced for immediate and quick reference on the school web.

## School Faculty

The faculty of DPSJ Kids shapes its special character. Each faculty member is both a teacher and a scholar, an expert in his or her own field. The faculty of DPSJ Kids consists of highly qualified, dedicated and well trained teachers, who have extensive teaching experience in their respective fields. Teachers are friends, philosophers and guides, who teach with love, without punishment or coercion. Each staff member also imbibes the DPSJ Kids culture and ethos, which is the thread that binds the entire teaching fraternity.

## Parent Involvement

A child's education can be greatly enhanced by parents' involvement in the classroom and at home. The school encourages involvement of parents in planning, suggesting, developing and boosting up the functioning of all school activities. Parents, students and teachers are encouraged to send in their feedback regularly. Parents can also communicate with the teachers through the PRO of the school. Grievances are addressed immediately and steps taken to resolve problems. The 'feedback' system set in place by the school regulates and monitors all feedback from parents. A regular and meaningful communication between the school and home is, therefore, necessary and encouraged. A variety of opportunities are provided for close interaction with parents. They are

A large number of water dispensers placed at convenient locations all over the campus ensure clean drinking water at all times, The school cafeteria managed by a reputed caterer serves nourishing, wholesome snacks and drinks in the most hygienic conditions.

## Research and innovation

Understanding how crucial right kind of education is, we have a team, which is solely dedicated towards formulating a well organized, Quality academic curriculum and breaking them into simplified modules for better understanding of children, We use educational global best practices to enhance our curriculum and build innovative learning tools to continuously improve experience for students, parents and teachers.

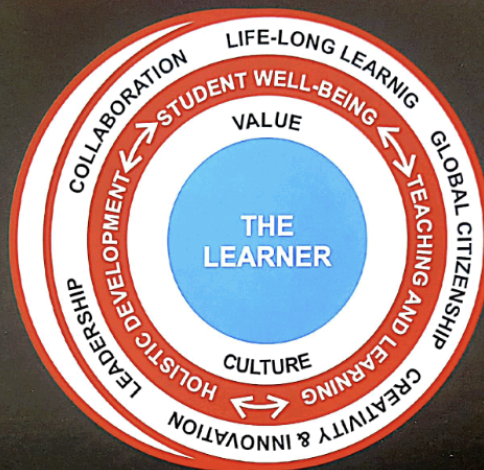

## Student Well-Being

We recognise the importance of meeting the unique learning needs of every child by providing a safe, supportive and respectful environment. Through individualised attention that appreciates children's learning styles and differing abilities, by helping them cope with emotional challenges and by providing them guidance to select higher education pathways, we work for their well-being, within the school and beyond.

Our student care team, comprising nine qualified professionals, work with class teachers and parents to provide appropriate support, enabling students to excel in their studies. Wherever required, the student care team consults with outside therapists and educational psychologists in evaluating or addressing student needs. Students are supported so they are able to cope with academic demands and challenges, and manage them in constructive and creative ways.

At DPSJ Kids we place emphasis on helping students develop essential life skills so they are better prepared for the opportunities, responsibilities and experiences throughout their life. All students engage in an active, planned life skills programme.

## The DPSJ Curriculum Model

**The DPSJ Curriculum Model represents the School's commitment to optimise teaching and learning, and facilitate children's holistic development and well-being. Through a curriculum that is stimulating and creative, and an environment that is safe and child-centred, we enable the learner to explore multiple dimensions of excellence, encompassing intellectual, social, emotional and physical development. There is equal emphasis on academic rigour and engagements beyond the classroom through a wide spectrum of opportunities.**

**The School's guiding statements underpin the facts that cherishing one's own culture and respecting that of others, as well as values-based learning, are pivotal to holistic education. The educational programmes at the School focus on inculcating in the learner five key attributes: creativity and innovation, collaboration, leadership, global citizenship and life-long learning.**

**All the elements in our curriculum model converge to bring out the best in every child and enable them to be on the path of continuous development and progress.**

# DPSU - Core Values

The three core values that best define our school are the 3Rs namely Responsibility, Respect and Reliability.

## Message from the Founder and Chairperson

The core purpose of education is to provide children with a learning environment which brings out the best in them. We believe that every child is endowed with a unique set of attributes and abilities, which need to be nurtured so that they blossom. Therefore, every child deserves an education that fosters academic excellence and all-round development, and ensures their well-being.

We provide a learning environment that inspires and motivates children, and encourages them to explore limitless possibilities in their quest for knowledge. Since inception, our overarching goal has been to make DPSJ a happy school, where teaching is a pleasure and learning is a joy; where learning and excelling is a passion, and culture and values have a pre-eminent place.

Our caring and committed teachers are our pillars of strength. They teach our children not just with their minds but with their hearts. They make learning enjoyable and rewarding, and imbibe in children the importance of sound values. Our excellent educational programmes are complemented by state-of-the-art facilities and resources, and our focus on sports and co-curricular opportunities facilitates children's holistic education.

## Director's Message

It gives me immense pleasure to be part of the Delhi Public School Jubilee Kids as Director, DPSJ has made giant strides in providing quality education to multi cultural generation, under the benevolent patronage with the inspiration, visionary zeal and undaunted efforts of our Honorable Director Mr. Rahul Gupta, in a short span of nearly a decade.

Education is the most powerful to bring change in the world. It has the power to dissipate darkness and strengthen human mind to create a new world. We, at DPSJ provide a platform to our students to engage, explore, explain, elaborate and evaluate, molding their minds to become global citizens with the support of hi-tech educational technology, excellent resources and expert faculty. The Digital Campus better scope for child-focused learning, reducing repetitive tasks and providing fun filled learning experiences.

The primary thrust of the school is to undertake scholastic activities for students to expand their horizons providing them with knowledge, developing their all round skills and cultivating in them a global outlook. Students are equipped academically, physically, morally, and spiritually to face the challenges of the fast changing global environment. We provide a stress free learning environment to facilitate critical thinking, innovation and creativity. With a view of setting higher goals, achieving greater heights and adding new milestones, the DPSJ team is striving tirelessly towards excellence.

I take this opportunity to welcome you to Delhi Public School Jubilee and assure you utmost care and concern over the holistic personality development of your children entrusted with us.
